General Terms& Conditions

Permission is granted upon the requester's compliance with the following terms and conditions:

1. A credit line will be prominently placed in your product(s) and will include: for books-the author, book title, editor, copyright holder, year of publication; for journals-the author, title of article, title of journal, volume number, issue number, and the inclusive pages. The credit line must include the following wording: "Reprinted with permission. © (Year of publication being used) American Society of Clinical Oncology. All rights reserved." The citation format must be as follows: Author last name, first initial et al: J Clin Oncol (or substitute appropriate title) Vol. (Issue), Year: Page-Page.
2. The requester warrants that the material shall not be used in any manner that may be derogatory to the title, content, or authors of the material or to ASCO, including but not limited to an association with (i) conduct that is fraudulent or otherwise illegal; or (ii) the use or abuse of alcohol, cigarettes, or illegal drugs.
3. Permission is granted for the term (for Books/CDs-Shelf Life of the edition; for Internet/Intranet-two years unless otherwise noted; for all other forms of print-the life of the edition) and purpose specified in your request. Once term has expired, permission to renew must be made in writing.
4. Permission granted is nonexclusive, and is valid throughout the territory specified in the request in English and the languages specified in your original request. A new permission must be requested for revisions of the publication under current consideration.
5. ASCO cannot supply the requester with the original art work or a "clean copy."
6. If the ASCO material is to be translated, the following statement must be included with the credit line: The authors, editors, and ASCO are not responsible for errors or omissions in the translation.
